ORDER:

This writ petition is filed seeking a Writ of Mandamus declaring the seizure of kerosene from the underground tanks of the petitioner and putting up seals to those tanks on 09-06-2005, as arbitrary and illegal, and consequently to direct the respondent to remove the seals of the underground tanks and shift the seized stocks to some other place so as to enable the petitioner to carry on its business.

By way of an interim order, dated 21-06-2005, this court passed the following order:-

> "Pending further orders, there shall be stay of sale of the seized stocks and further direction to the respondent to remove the seized stocks from the underground storage tank of the petitioner to another suitable place on the petitioner providing the required receptacles/containers.

The petitioner shall be permitted to pursue his business if his business is not to be interdicted on any other ground."

Learned counsel for the petitioner as well as the respondent fairly contended that the interim order passed by this court on 21-06-2005 has been worked out.

In view of the above, no further orders are necessary in this writ petition.

With the above observation, the writ petition is disposed of. No order as to costs.
